CAS CORDLESS
ALLIANCE
SYSTEM

Only DuroSweep 77 Pro 18V

DuroSweep

The first sweeper from starmix, based on the proven technology and quality of our brand haaga.

>> NOW EVEN MORE DURABLE AND COMFORTABLE! <<

-  Strong power for sweeping large areas thanks to CAS drive and lighting for even better results (DuroSweep 77 PRO 18V)
-  Extremely smooth running of the disc brooms thanks to new design
-  Longer service life due to dirt-protected gearbox
-  Longer durability of wear parts and service-friendly maintenance
-  Ergonomic and padded push handle
-  Easy change of the battery

DuroSweep 77 PRO
manual

DuroSweep 77 PRO 18V
battery powered

The beltless drive makes the sweeper particularly easy to push. It is therefore ideally suited for regular, professional use on very large areas of up to 3,600 square meters.

ADVANTAGES AT A GLANCE

-  Top quality „Made in Germany“
-  4 years warranty on brush wear
-  Pleasant smooth running and long durability due to beltless drive
-  Easy sweeping on curbs and walls due to additional guide rollers and protruding disc brushes
-  Optimal cleaning performance on different floors due to 7-stage brush height adjustment
-  Both wet and dry sweeping is possible
-  Sweep fine/coarse dirt effortlessly
-  The DuroSweep 77 Pro 18V is 100% compatible with the cross-manufacturer CAS alliance

(more info on p. 7)

THE TOP FUNCTIONS

Vertical storage
Space saving and clean.

Ergonomic push bar
Depending on the body size of the operator, the rubberized angled handle area can be mounted up or down mounted without tools.

Dust protected height adjustment
Robust and smooth operation of the 7-stage height adjustment, for adjustment of the optimal brush height and maximize the cleaning performance on different floors.

Hold down & Side guide
For sweeping close to the edge.

Lighting
Enables clean sweeping in dark corners and poorly lit areas.
DuroSweep 77 Pro 18V only.

Sealing lip & filter
Keep dust and dirt inside the machine. Due to new design, longer durability and dust free sweeping.

Sweepings container
New closing mechanism for easy opening. Convenient emptying thanks to new discharge edge.

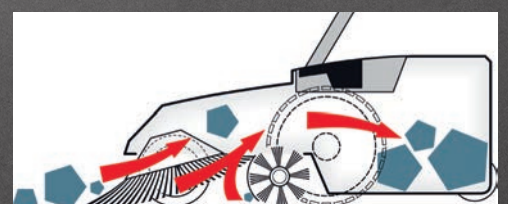

Projecting disc brushes
Enable sweeping of hard-to-reach areas - under edges and at corners.

Battery powered disc broom drive
With 4-stage speed regulation and integrated warning indicator to indicate blockage of the disc brooms. Incl. battery charge indicator.
Only DuroSweep 77 Pro 18V.

Double sweeping performance thanks to the turbo sweeping system.
In both sweepers, the disc brush system with the two counter-rotating disc brushes is additionally extended by a fine dirt sweeping roller behind it. This means that these machines sweep twice in one pass. Even the finest dirt is picked up.

Cordless Alliance System:

One battery for everything.

CAS is a cross-manufacturer battery system of leading power tool brands. It combines a spirit of innovation, high product performance and the common goal of making professionals independent of the power socket.

The CAS circle is growing steadily; in the meantime, more than 300 machines from over 30 brands can be used with just one battery.

100 % Compatibility for over 300 machines in the 18 volt class!

With the CAS batteries, machines, battery packs and chargers from different manufacturers can be easily combined with each other.

100 % leading battery technology!

CAS uses the world's most powerful battery system in the industry - from Metabo. With over 30 years of battery expertise, Metabo is a pioneer in battery technology and in the topic of „cordless construction site“. The focus is on 18V, the most important application area for professional users.

100 % User benefits!

CAS stands for a sophisticated battery system that you can now rely on for a wide range of standard and special applications. Through the multiple use of existing batteries, you achieve clear cost advantages. CAS also offers the highest reliability and high investment security of a guaranteed future-proof battery system.

More information:

Our CAS compatible devices
